<p>Attached is the paper on proliferation which I mentioned on Friday. I believe it is responsive to the general question and to the specific questions raised by Senator Morse at the hearing and in paragraph 2 of his letter to the AEC. I believe that, except for the item to be provided by AEC in response to Senator Russell's question, this takes care of all follow up items pertaining to Mr. McCone's briefing on August 16.</p> <p><input type="text"/> <b>Assistant Legislative Counsel</b></p>
